Our Firm

Strauss Borrelli PLLC is a premier civil litigation team focused on representing groups of individuals who have been harmed by corporate misconduct. We regularly represent clients in cases involving data misuse, illegal telemarketing, privacy intrusion, unfair employment practices, and defective products. Our efforts have earned us a reputation for achieving success in high-stakes and complex cases across the country.

At every step, we put the interests of our clients first.

We make the courtroom accessible to all.

At Strauss Borrelli, we understand that our legal system is out of reach for most individuals who have suffered at the hands of corporate wrongdoing. Time, money, and expertise act as barriers to judicial action. We confront these obstacles by empowering those affected to take collective action to seek relief.

We innovate and adapt.

As new technologies become available, our team learns and grows to make our processes faster, more effective, and less expensive. We challenge each other to continually evolve to meet the needs of our clients in an ever-changing world.

We know that people are our greatest resource.

Whether it be within our own team or with experts, co-counsel, or clients, we foster collaborative spaces. We know that good ideas can come from anyone, and the best ideas are forged when we work together. Our experiences have shown us that fresh perspectives coupled with legal expertise create smart strategies.

We understand the strength in numbers.

Too often, corporate transgressions go unchallenged. Together, we create a check against large companies' misconduct. By combining individual claims, we hold those who put profit over people accountable and achieve relief for all those injured by wrongdoings ranging from the annoyance of daily telemarketing calls to the devastation of a sudden mass layoff.

We commit to personal connections.

At every stage, we help clients understand the complex issues at hand and empower them to take an active role in their cases. We will always take the time to build relationships with our clients in order to understand what success means to them. In defining and reaching our goals, we advise with compassion and understanding.
